

# Swiss NFT Association Membership-Token Artwork Competition

Submission Deadline: **July 2, 2023 23:59 CEST**.

---

We are excited to announce the Artwork competition that will be held for the SNA Membership Token Genesis Collection. This is a unique opportunity for artists to participate and showcase their creativity while contributing to the development of the Swiss NFT Association.

## Theme:

We encourage you to create an NFT that encapsulates the essence of the SNA and what it represents - friendship, real-life community interactions, the exchange of thoughts, opportunities for collaboration, learning from others, drawing inspiration, and the multifaceted disciplines our members represent. We are excited to see how you interpret these concepts and formulate them in your artwork.

The collection will be known as the “SNA Genesis Collection”

## Guidelines and Requirements:

- The competition is open to all **artists based in Switzerland**
- Reflect the qualities of the Swiss NFT Association mentioned above under “Theme” in your work.
- If you make a collection of unique Artworks, it should encompass 75 pieces. 50 pieces for individual members and 25 for company members
- The artworks for companies and individual member tokens should be (slightly) visually distinct.

## Submission Rules:

- The artwork must be in a digital format with a file size no larger than 4mb per image.
- You must include a short paragraph describing your artwork.
- All entries must be submitted **anonymously** to ensure an unbiased evaluation. (See below)

## Hand in Procedure:

1. Create an artwork or collection according to the Requirements listed above
2. Ensure that your **files do not contain your name** to allow for an anonymous and unbiased evaluation.
3. Hand in the files using Swisstransfer ([www.swisstransfer.com](http://www.swisstransfer.com)). Send it to [sna-art-comp@proton.me](mailto:sna-art-comp@proton.me) - The email you are using for this will be used to contact you after the jury evaluation!
4. The submission deadline is: **July 2, 2023 23:59 CEST**.

## Evaluation Process:

- The entries will be screened by a jury of 3-6 individuals who will shortlist the top two or three proposals.
- The top entries will be revealed, along with their creators, at an SNA event in July or August, where the SNA Members can vote to select a final winner.

## Prizes:

- The winner will receive a **one-year SNA membership** and the recognition as the designer of our Membership Token.
- The second and third place winners will also receive small prizes.
- The shortlisted entries will be showcased at the final selection event and the SNA conference in September, as well as in our physical Web3 Hangout Space in Zurich, on our website and in our metaverse exhibition space.

## Participation:

To participate, submit your artwork before the deadline following the rules mentioned above. This competition is a great opportunity to showcase your talent and contribute to the vibrant and growing NFT community of the SNA. We look forward to your participation and cannot wait to see your creativity!

Best of luck!  
Swiss NFT Association Team
